CHIPS, PRETZELS, AND MORE

When it comes to snacks, there are many options available. There are some brands that are familiar favorites and there are those hidden gems that we come across every now and again.

HERRS

Bold Savory Flavors with some interesting special edition flavors.

FRITO-LAYS

Classic chips for any occasion with a familiar taste that people love.

UTZ

One of the oldest Brands with some of the most distinct flavors you can find. Their Crab flavored chips rank high on my personal list of favorites.

TAKIS

Takis are a newer brand with an emphasis on spicing things up. If you want the heat, look no further.

SUN CHIPS

100% Whole Grain deliciousness. Sun Chips are a healthier alternative to traditional chips. The flavors that they offer still pack quite a punch.

SKINNY POP

Skinny pop offers traditional popcorn and chip style kernels with a variety of flavors for those looking to satisfy a craving and keep their calorie count in check.

MISS VICKIES

Extra Crunchy Kettle cooked chips with satisfying flavors.

CAPE COD

Low fat and crunchy. Cape Cod offers kettle cooked chips with an assortment of bold flavors.

OTHER DELICIOUS TREATS

We all love chips, However, there are definitely some tasty alternatives out there.

THE SWEETS

Sometimes our sweet tooth gets the best of us and we just need to satisfy the urge. Our machines will offer a variety of sweet treats.
